

## SWIM LESSONS 2011

Welcome to a new season at FRCC. Back by popular demand, we are pleased to offer swimming lessons to our members once again this season. It is an excellent program offered and a great value to all our members.

We will be offering two two- week sessions. In order to keep the number of children in each level to a manageable level, class sizes will be limited, so early registration is recommended. Please indicate on the registration form, which two-week session is your first choice and which is your second choice. All spaces will be first come, first serve basis. You will receive confirmation of your child's registration by e-mail or telephone.

The instructors will try and call parents in the event of class cancellations due to weather or pool chemical problems. Unfortunately, due to the pool schedule, make-up classes are not available.

Parents should note that a child's placement in a class level is based on his or her swimming ability, rather than age. Once your child passes a level, you will receive a Red Cross swim card reflecting this. If you have any questions regarding your child's placement or concerning the program, please call Stacy Love at 425-4188.

Thanks,

Stacy Love
