About the Events and Services

The club holds a variety of social events throughout the FRCC season. These events are planned for all age groups—children, adults only, picnics, parades and more for the entire family.

The pool is open to members 7 days a week during the season. One or more Red Cross Certified lifeguards are on staff at all times.

Swimming lessons are available to club members and are taught by Red Cross Certified lifeguards. Don't like splashing? Take advantage of Adult Swim, every night from 6 to 6:30 pm.

Members are encouraged to bring guests to the pool and tennis courts.

Tennis, anyone?

The tennis courts are open 7 days a week during daylight hours. One or more courts are generally available on a walk-up basis. Courts may be reserved by members, if desired.

Now is the perfect time

Contact the Membership Director to inquire about joining the club. There is generally a waiting list, since our bylaws limit membership to avoid overcrowding.

If you purchased a house from an FRCC Member and they have moved out of the club area (and less than 30 days has elapsed since the transfer), then you are eligible to assume their membership immediately and bypass the waiting list.
